Returned with compliments.

From the statement furnished by the Muzrai Commissioner it is not possible to calculate the - ~~extra~~ exact cost of additional establishment and the amount of additional funds that may be required to supplement the sanctioned grant during the current year.

2. A proposition statement prepared in accordance with instructions contained in article 71 of Mysore Civil Account Code Vol.1. showing cost under present and proposed scales is necessary to find out the actual extra cost due to the additional establishment.

3. As regards the additional funds, a reappropriation statement as required under article 202 of M.C.A.C. Vol.1. may also be called for showing the budget grant with the actual expenditure up to date and the - probable expenditure during the remaining portion of the year to find out the exact amount of additional grant necessary.

4. It may also be mentioned that against the - allotment of Rs 7,680/- under scholarships, expenditure aggregating to Rs 832/- as detailed below is being incurred every month. Hence the provision made under scholarships also is not sufficient to meet the - charges under that head and additional funds may also be required.

5. The financial position of the Fund is as - detailed in the annexed statement.

Rs 672/-	by Principal,	Ayurvedic College,
80/-	-do-	Medical School.
80/-	-do-	Tibbi College.
Total. 832/-		

D. V. Narasimha Reddy
For Comptroller.

29 1

The annual income of the Fund amounts to about Rs.54,600/- and the annual recurring expenditure to about Rs. 39,300/- and non recurring to Rs. 16,000/-.

The financial position of the Fund according to latest actuals is as shown below:-

Estimated receipts for 1930-31. as per sanctioned estimates.	...	54,609- 9-0

The position according to the sanctioned budget for 1930-31 is as below:-

With reference to the provision made in the Sanctioned Budget for 1930-31 for the maintenance of the Ayurvedic Medical School and Hospital at Mysore at a total sum of Rs.37,000/- I have the honor to submit herewith a detailed statement showing the distribution of the expenditure under the various heads that will have to be incurred during this year. It is seen from the list that the total amount that would be required to maintain the institutions in the current year will amount to Rs.39000/- which is Rs.2000/- over and above the provision made in the Budget. When the budget was framed it was expected that there should be a combined Ayurvedic and Unani Hospital and staff was framed in accordance with this requirement. It is now found to be feasible as the Unani Hospital is necessary to be started in a hired house and as the existing Ayurvedic Dispensary, wherein it is also proposed to maintain the in-patients may be retained. It has therefore been decided to divide the provision for the hospital into equal portions, for the Ayurvedic and Unani Departments, and to combine the Dispensary with the Ayurvedic Hospital. The Dispensary will be under the charge of the Medical Officer of the Hospital. The Superintendent will be entrusted with the following duties in addition to his own duties as Medical Officer.

(1) To draw Establishment Bills Rs.30/- (Thirty).
(2) To be Clerk on Rs. 5/-
(3) To draw Time Scale Bills Rs.15/- (Fifteen)
(4) To draw Contingent Bills Rs.10/-

It was possible to incur the extra expenditure by re-appropriation from the provision already made in the budget. But in the middle of August, Government ordered the transfer of P. S. Sitarama Sastri, Pandit Gopalacharya Professor of Ayurveda, who was drawing a pay of Rs.130/- per mensem to the Medical Department, and posted in his place P. L. Venkatrishna Rao, Assistant ----- Superintendent of the Medical Department, on pay Rs.280/- per mensem, specially for Ayurvedic and Unani Colleges with an allowance of .75/- per o ths s l ce o co o/ t l b'ish ent

establishment by Rs.255/- per mensem and for the current year the actual increase as per statement enclosed is about Rs.1999/- or in round figures Rs.2000/-. It will thus be seen that it would have been possible to meet the extra cost on account of the separation of the omani ward from the combined ward within the budget provision, but for the fact that a high paid officer from the Medical Department has been posted to the college as Principal.

In these circumstances, I beg to request that approval of Government may kindly be obtained for the entertainment of the extra hands for the starting of a separate Mani in-patient ward and sanction granted for the additional expenditure of Rs.2000/- that is likely to be incurred on account of this institution, over and above the budget provision for the current year.

In this connection I beg to invite kind reference to Government order No.5440-2/Muz.75-28-24 dated 2nd May 1930 wherein it is laid down that the contribution from the Chattram Savings Fund should not be in excess of the grant made by Government. In accordance with this Government order the extra sum of Rs.2000/- for which sanction is now sought for, has to be met in equal proportions from the Chattram Savings Fund and from Government funds. There is sufficient balance in the Chattram savings fund to meet this additional cost and if, in view of the present position of our State finances, it is not possible to make the amount of the full quota of Rs.1000/- from State funds, I beg to suggest that as a special case as much as possible to be contributed from the State funds might be sanctioned and the balance met out of the Chattram Savings Fund which is capable of bearing even the full amount.

SIR,

In continuation of my letter No.574/30-31 dated 27th December 1930 requesting Government approval for the entertainment of certain additional staff for the Ayurvedic and Unani College, Mysore, and also sanction for additional grant to meet all the necessary expenditure in the college during the current year, I have the honor to state that in Para 1 of my letter under reference it has been reported to ----- Government that in view of the urgency of having a Unani Department ward as distinguished from the Ayurvedic ward, the additional staff required for the purpose has been entertained from 15th September 1930 in anticipation of Government sanction. The pay of this additional staff was also being drawn along with the college establishment bill and paid ever since its entertainment. The Comptroller has now -- taken objection for drawing salary etc., for this additional staff without sanction of Government and has issued instructions to the District Treasury, Mysore, not to encash their bills relating to the additional staff (vide copy of his letter No.572/Audit dated 26th -- March 1931 enclosed). As stated in my letter under reference, the services of the staff already entertained are absolutely necessary for the Unani Hospital and cannot be dispensed with. The office bearers will be put to much difficulty if their pay is withheld as has now been ordered by the Comptroller.

Proposals for meeting the extra cost involved for the half year during the current year as per the Budget have been submitted to Government and are under their consideration. The question

With reference to your No.706 dated 6th March 1931 stating in reply to this office objection memo No.185/A ii dated 2nd March 1931 that the additional establishment of the Unani Section was sanctioned in the Muzrai Commissioner's No.C.574/3-31 dated 1st February 1931 and pay was drawn accordingly in the bill for November 1930, I have the honor to state that since there is no Government Order sanctioning this additional establishment the pay on behalf of this establishment should not be drawn in future without further instructions from this office. The amount already drawn is kept under objection.

Copy of the above is forwarded with compliments to the Deputy Commissioner, Treasury Department, Mysore for information and not to encash the establishment bills of the additional establishment.

The Officials will be put to much difficult if their pay is withheld as has now been ordered by the Comptroller.

Proposals for meeting the extra cost involved on this behalf during the current year as also in future years have been submitted to Government and they are under their consideration. The proposition statements and the reappropriation statements called for in your letter No. 1713/Muz.111-30-15 dated 2nd February 1931 have also been submitted to Government through the Comptroller with this office letter No. 574/1930-31 dated 17th February 1931.

As the withholding of the pay of the additional staff entertained in the interest of the institution, in anticipation of Government sanction, will cause much inconvenience to the officials concerned, request that the Comptroller may be kindly instructed to pass the

establishment bills of the additional staff, pending final orders of Government in the matter.

I request the favour of very early orders of Government in the matter.

SIR,

Subject:- Entertainment of additional staff for the Unani Section of the Ayurvedic and Unani College, Mysore.

With reference to your letter No.1713/Muz.111-30-15 dated 2nd February 1931, I have the honor to forward herewith a proposition --- statement in duplicate, showing that the extra cost will be Rs.130/-p. or Rs.1560/- per annum on account of the entertainment of the additior establishment required for the Unani section of the Ayurvedic and -- Unani College, Mysore. The total expenditure during the current year on account of the above proposals together with certain other items - sanctioned subsquent to the passing of the budget comes up to Rs.4890/- over the sanctioned grants. To meet this extra expenditure a sum of Rs.2891/- may be reappropriated out of the savings to be effected under all other sources of the budgeted grants of the College for the current year and the balance of Rs.1999 or Rs.2000/-(in round figures) will only have to be met by an additional grant. As a moiety of this ad i-tional grant will have to be met from Chattram Savings Funds, the amount chargeable to State Funds will be only Rs.1,000/- as already pointed out in my letter No. 574/30-31 dated 27th December 1930. The re-appropriation statement in duplicate is also herewith enclosed as required in your letter under reply.

I have the honor to be,
Sir,

To,

The Financial Secretary

to Government,

Copy of letter No.574/30-31 dated 2nd-12-30 from the Luzrai Commissioner in Mysore, to the Financial Secretary to Govt.

With reference to the provision made in the sanctioned budget for 1930-31 for the maintenace of the Ayurvedic and Unani college and Hospital at Mysore amounting to Rs.37,000/-, I have the honor to submit herewith a detailed statement showing the distribution of the expenditure under the various heads that will have to be incurred during this year. It is seen from the list that the total amount that would be required for running the institutions in the cruuent year will amount ϕ to Rs.39,000/- which is Rs.2000/- over and above t provision made in the budget. When the budget was framed it was - expected that there should e a combined Ayurvedic and Unani ~~should be a combined Ayurvedic and Unani~~ in-patient ward and the staff was fixed in accordance with this requirement. This nowever was not fou to be feasible as the Unani out-patient Dispensary was located in a ronted building about a mile distant from the Ayurvedic Dispensary wherein was also located the in-patient ward. It was therefore decided to divide the provision for the beds into two equal portions, for the Ayurvedic and for the Unani Sections and to combine the unani out-patient dispensary and the in-patient ward into one and locate it in a common rented building belonging to Mr.Mahamad Sait in Dodpet. This necessitated the entertainment of the following extra establishment for the in-patient brnch of the Unani Section.

1) Two ward assistants on Rs.30/- each
2) One clerk on Rs.25/-
3) Two ward boys on Rs.12/- each
4) One cook on Rs.15/-
5) Three menials on Rs.10 each
6) One compounder on Rs 20/-

When the ward section was a combined one there was provision ~~xxxxx~~ in the budget for 3 ward assistants on Rs.25/- each and two compounders on Rs.20/- each of whom only 2 ward assistants and one compounder had been enteratined and the provision for the 3rd ward assistant and the 2nd comcounder was being saved. There have been 4 ward boys all along of whom 2 have now been transferred to the Unani Section So the extra establishment that was necessitated by the separation of the ward into two sections consist of the following hands:-

1. one ward assistant on Rs.30/- and an increase of Rs.5/- in the pay of another ward assistant for which there is provision in the bud

2. one clerk on Rs.25/-

3. one cook on Rs.15/-

4. Three menials on Rs.10/- each. As there is a paucity of trained males to be employed as ward assistants the Vice President reported that no body could be secured on Rs.25/- per mensem as in the case of Ayurvedic ward assistants, and so the Unani ward Assistants had to be started on a pay of Rs.30/- . As a result the increase in the shape of additional establishment amounted to Rs-105/- per mensem or Rs.1260/- per annum. In view of the urgency of having a Unani in-patient ward as distinguished from an Ayurvedic ward, sanction was accorded for the entertainment of the above mentioned extra hands from the 15th September 1930 in anticipation of sanction by Government.

It was possible to incur the extra expenditure by re-appropriation from the provision already made in the budget. But in the middle of August Government ordered the transfer of Mr.S.Sitarama Sastri, Pandit-Gopalacharlu Professor of Ayurveda, who was drawing a pay of Rs.120/- per mensem to the Medical Department, and posted in his place Mr. L.Ramakrishna Rao, Assistant Surgeon of the Medical Department, drawing Rs.280/- per mensem, as Principal of Ayurvedic and Unani College with an allowance of Rs.75/- per mensem. This has increased the cost of the establishment by Rs.235/- per mensem and for the current year the actual increased as per statement enclosed is about Rs.1954/- or in round figures Rs.2000/-. It will thus be seen that it would have been possible to meet the extra cost on account of the separation of the Unani ward from the combined ward within the budget provisions, but for the fact that a higher paid officer from the Medical Department has been posted to the College as Principal.

In these circumstances I beg to request that approval of Government may kindly be obtained for the entertainment of the extra hands for the starting of a separate Unani In-patient ward and sanction granted for the additional expenditure of Rs.2000/- that is likely to be incurred on account of this Institution, over and above the budget provision for current year.

In this connection I beg to invite kind reference to Government order No. 2440-2/Muz.5-28-24 dated.2-5-30 wherein it is laid down that the contribution from the chattram Savings Fund should not be in excess of the grant made by Government. In accordance with this G.O. extra

G.O.extra grant of Rs.2000/- for which sanction is now sought for has to be met in equal proportions from the Chattram Savings fund and from Government funds. There is sufficient balance in the Chattram Savings fund to meet this additional cost and if in view of the present position of the State Financies it is not possible to make the grant of the full quota of Rs.1000/- as special case as much as is possible to be contributed from the State Funds might be sanctioned and the balance met out of the Chattram Savings fund which is capable of bearing even the full amount.
